GRADING SYSTEM – UNDERGRADUATE COURSES

Grading scale 0 – 10, where 5.0 is the minimum grade required for passing a course:

Group	Scale	Description of the grading system
APPROVED	9 – 10	Excellent
	8 – 8.9	Very Good
	7 – 7.9	Good
	6 – 6.9	Satisfactory
	5 – 5.9	Sufficient
NOT APPROVED	3.1 – 4.9	Fail
	0 – 3	Fail

Converting Insper courses to ECTS:

Insper does not operate on the ECTS credit system. A full-load course contains 80 hours/lesson or 40 hours/lesson of classroom activities (exams/tutorials/office hours). That is the regular load for each course students take during their 4 or 5 years of undergraduate studies.

The majority of the courses available for exchange students are 40 hours/lesson, and few options are of 80 hours/lesson courses.

More details below:

- **40 hours/lesson courses**:
  - one class per week
  - course workload: from 125 to 150 hours
  - we recommend the equivalence of 5 ECTS

- **80 hours/lesson courses**:
  - two classes per week
  - course workload: from 250 to 300 hours
  - we recommend the equivalence of 10 ECTS

To be registered as a student at Insper exchange students MUST **take at least 25 ECTS (that means they need to take 5 courses of 40 hours/lesson – or a combination with 80 hours/lesson' courses)**, we do not recommend students to take more than 8 courses of 40 hours/lesson.
