GRADING SYSTEM*

At Masaryk University, the ECTS grading system is used. The number of ECTS credits for each course reflects number of hours a student is expected to devote to the course per week (in the form of lectures, homework, reading, essays, consultations, etc.). The following scale of grades used at Masaryk University is a part of every transcript of record.

Courses with the type of completion „zk“ (zkouška – examination) or „kz” (klasifikovaný zápočet graded credit):

Grade designation	Grade	Value	Grade designation	Grade	Value
Excellent Very Good Good	A B C	1 1,5 2	Satisfactory Sufficient Failed	D E F	2,5 3 4

Courses with the type of completion „k“ (kolokvium – colloquium) and „z“ (zápočet – credit)

Grade designation	Grade	Value
Requirements fulfilled Requirements not fulfilled	Pass Fail	Pass or A Fail or F

* **All the details above apply only to the MU – partner institution cooperation, not including the Erasmus+ international credit mobility or Erasmus+ programme countries**

Note to MU grading system: It is impossible to issue attachments to MU transcript of records with estimated equivalent evaluation/percentage rate used at student home university. Herewith, it is advisable to make sure there is a policy at home university that it enables student to convert the ECTS grades into the evaluation in use there.

Procedure each student should follow in order to ensure timely processing of transcripts: Masaryk University has an electronic system of registration of courses whereby transcripts are issued upon teachers' filling in the grades for the courses they taught.
