Language of instruction	English. All classes and exams will be exclusively on campus.
English Proficiency	Students are required to have at least a European B2 English Level, IELTS 6; TOEFL iBT 80; CFE minimum 170 or grade C (minimum 170); CAE Advanced (any grade); CPE with any pass grade; High school education fully taught in English or Bachelor's fully taught in English; Mother tongue declaration/bi-lingual.
Syllabi	Master's Syllabi are available on our website https://www2.novasbe.unl.pt/en/programs/exchange-programs/courses-for- exchange-students.
Enrollment	The enrollment is done within a **Bidding system**, where students allocate points to the courses they wish to attend. This allows us to accommodate as many preferences as possible, given the **limited spots per course**. The more points a student assigns to a course, the better their chances of securing a place. However, we advise students to have **alternative options** approved by their home university, as **we cannot guarantee placement in their first-choice courses**. There's also a **period for changes (add/drop)**, during which students can adjust their selections based on availability. It's important to note that home universities **cannot** request specific courses to be taken at Nova SBE.

	Students who come in their last semester of studies and have to take specific courses must be made aware of this rule and consider their options before applying.

IMPORTANT	
Exchange Documents	Students must send all documents by mail, dully filled in for signature. Learning agreements for the Erasmus Program should preferably be sent through the online Learning agreement system.
Transcript of Records	Transcripts of records are **sent only by email** until the end of February (for Fall) and July (for Spring). No Transcripts will be issued in January or June.
Workload	There is a special course list for Exchange students published in SharePoint. Courses are full-time, Monday to Friday during working hours, and structured in Semesters/Trimesters. A regular Nova SBE student takes four/five courses per semester, corresponding to about 30 ECTS. Type of courses offered: • **Full-courses** take 12 weeks of class work and are worth 7 ECTS; • **Short-courses** take 6 weeks of class work and account for 3.5 ECTS each. The courses can be lectured once a week with the duration of three hours in a row OR be lectured in 2 sessions of 1.5 hours per week. Besides these classes, faculty also provides open office time for individual consultations. **Maximum limit of ECTS: 31,5 ECTS**
Assessment	Assessment is defined by the course instructor. In-class written work cannot be worth less than 50 %. The weight of the exam's grade cannot be less than 30 % and not more than 70 %. In each semester, there is only one examination period per course. For Full courses, the examinations are scheduled at the end of the semester during which they are offered; for short courses, the examinations will be offered at the end of each Term (please see the calendar section). It is not possible to enroll in courses that have exams overlapping.
