Study at UC chile and living in Chile

Migratory Process

Exchange students who come to Chilefor less than 180 days may enter thecountry with a Temporary Stay permit.While those who come for a year mustcompulsorily apply for TemporaryResidence (student subcategory).

National Immigration Service website

Insurance and Health

Exchange students must have insurance that includes medical expenses for at least USD 30,000; health and funeral repatriation services, and must cover the entire period of stay in Chile.

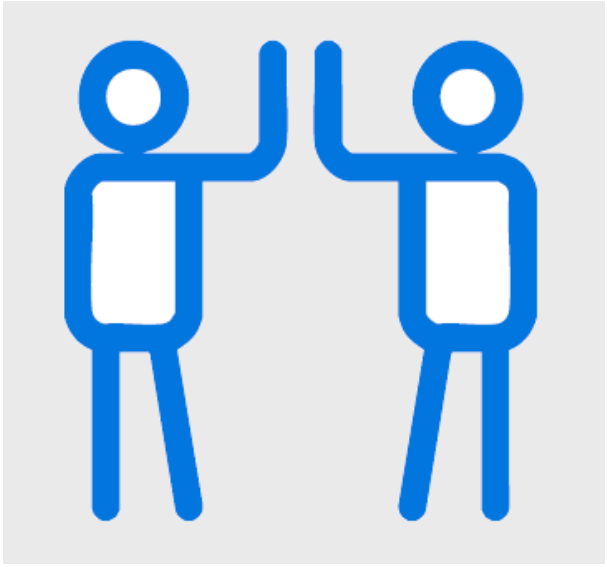

You can check some options here.

More information about emergencies onour campuses can be found here.

Arrival and Orientation

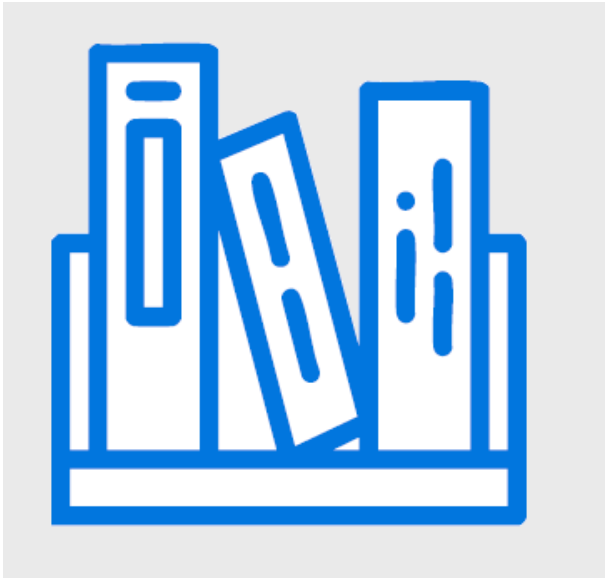

Upon arrival at UC Chile, the international student has the support of the Office of the Vice President for International Affairs and of several groups of students willing to help in all aspects of their exchange. In addition, at the beginning of each semester, an orientation session is held to ensure that students are aware of all the details regarding course registration, the services offered by the university, and other relevant topics.
