🖌️ Fact Sheet 2026-2027

Modified September 7

SHANGHAI JIAO TONG UNIVERSITY

1. SEMESTER DATES

FALL Semester: September 14, 2026 – January 15, 2027

SPRING Semester: February 2027 – July 2027

- The **registration date** is generally the Friday before the semester begins.
- The **last two weeks** are exam weeks, and the exam schedule will depend on the specific courses.
- Please note that the **SJTU Global College** has its own **Academic Calendar**

2. NOMINATION & APPLICATION

2.1 Eligibility

√ A minimum GPA of 3.0 on a 4.0 scale.

√ HSK 5 score 200 at least for attending the Chinese Taught Courses (Original test certificate required).

√ IELTS 6.0 or TOEFL iBT 90 (TOEFL iBT 5.0 on the new scale effective January 21, 2026) for attending English-taught Courses (Original test certificate not required. No requirement for native speakers).

√ Must be a full-time, matriculated student in one of SJTU's exchange partner institutions.

√ Have completed at least two semesters of study at the home university prior to commencing the exchange period.

√ Non-Chinese citizen.

2.2 Nomination & Application Procedure

- A login password to the Online Application Portal has been provided to the exchange coordinators. The nomination link is: https://apply.sjtu.edu.cn/nominator/#/partner
- Nomination Guide can click **here**.
- Exchange coordinators shall **fill in nominees' information** accordingly.

> 📌 To ensure the accuracy of the visa application materials, it is essential that the **Exchange coordinators** verifies the nominee's information at the time of nomination, **especially the student's first and last names**, which must match exactly as they appear on the passport, as name information cannot be changed later.

- Upon successful nomination, students will receive a link to the Online Application Portal via email.
- Nominated students should log in to the system and apply before the application deadline. The application guide can click **here**.

> 📌 To ensure the accuracy of the visa application materials, **students** should confirm that they have completely **filled out all information on the application form**, such as passport number, date of birth, and so on.

- Once the application is approved, the students will get the results via email.

2.3 Documents for the application

√ Bio-page of the passport

*Please ensure your passport is valid for at least 6 months from the commencement of your exchange at SJTU.

√ Passport-style portrait photo (with plain background)

√ Resume

√ Latest transcript from the home university

√ A recommendation or nomination letter from the home university

√ Study plan

*There is no fixed template. Students can fill in the courses they are interested in. The application form will be submitted to the school for review. It is recommended that students list courses from the respective school in their study plan. The study plan is for the reference of the reviewing faculty and does not represent the final courses available for selection. Students must be flexible in their course choices, which will be based on the notifications from each school.

√ Language proficiency certificate (if applicable)

*An English proficiency certificate issued by your home university is also acceptable.

2.4 Application Deadline

- Fall (September to January): March 30
- Spring (February to June): Oct 30

3. PROGRAMS & COURSES

More than 30 schools/departments at SJTU are open to university-level exchange students to choose from. Exchange students coming to our university need to be admitted by a specific school. Once admitted, **they can only choose courses from that school**. If they wish to select courses from another school, they must obtain prior approval from the relevant faculty.

3.1 Course List

- **2025-2026 Undergraduate English-taught Courses**

> **Only for reference**

- **2025-2026 Graduate English-taught Courses**

> **Only for reference**

🎼 **Due to limitations in the language of instruction and course capacity at our university, we need the students to be flexible in their course selection.**

For the most updated information about majors and courses, please consult with the School / Department. Course selection is subject to the school's notification.

3.2 Restricted Programs and Courses

- All courses from the **School of Medicine** are not available to exchange students.
- All courses from the **Shanghai Advanced Institute of Finance** are not available to university-level exchange students.
- **School of Computer Science, School of Electrical Engineering, School of Automation and Intelligent Sensing, School of Integrated Circuits (School of Information Science and Electronic Engineering):** The number of vacancies for these courses is highly limited due to the current capacity issue. You must be able to take **courses in Chinese**, and you must achieve a grade of **no less than 80 points** in each course on your academic transcript.
- The application for **Antai College of Economics and Management** is highly competitive, and applicants must have an academic background in economics and management-related disciplines.
- Some schools, such as the **School of International and Public Affairs/KoGuan Law School, etc**., do not offer undergraduate courses taught in English. If you choose these schools, you can select the English-taught graduate programs offered by the school.
- Not all graduate courses are available to undergraduate exchange students, and vice versa.

3.3 College Information

You can click **here** to view information about each college. The college information will be gradually updated in the modules below.

🔔 **SJTU Global College**

- **SJTU Global College** offers four undergraduate programs leading to Bachelor of Science in Engineering degree: Mechanical Engineering (ME), Electrical and Computer Engineering (ECE), Data Science and Big Data Technology(DS) ,Computer Science and Technology(CS).

- Please note that the **SJTU Global College** has its own **Academic Calendar** and **course selection system**.
- If you wish to attend courses at the **SJTU Global College**, please select **SJTU Global College** as your first preference in the application form. Details can be found **HERE**. Courses are available for selection **only** by students of this college.
- Course selection at the **SJTU Global College** is subject to notifications from the **SJTU Global College**.

🔔 **SJTU-ParisTech Elite Institute of Technology**

- SPEIT offers three engineering majors: **Information Engineering, Mechanical Engineering, and Energy and Power Engineering**. For more detailed information, please visit the **website**.
- If you are keen on enrolling in courses at SPEIT, please select **SPEIT** as your first preference in the application form. Courses are available for selection **only** by students of this college. You can find a preliminary course list **HERE**.

🔔 **School of Humanities**

1. Intensive Chinese Language Program--Xuhui Campus

- This program is a **Chinese language learning program** that will provide different levels of Chinese language classes based on your proficiency. The courses include **listening, reading, writing, and speaking**.20 credits per semester. More details can be found **here.**
- Please note that the School of Humanities has its own **course selection system** for the Intensive Chinese Language program.
- Course selection for the Intensive Chinese Language Program is subject to notifications from the School of Humanities.

2. Chinese Language(Chinese Language and Culture)--Xuhui Campus

Taught entirely in Chinese. Language requirement: HSK Level 5 with a score of 180 or above.

This major focuses on teaching basic theories, knowledge of Chinese language and Chinese language skills such as listening, speaking, reading and writing, as well as knowledge of Chinese literature, culture, history and other aspects, so as to cultivate composite applied talents with international vision who can skillfully use Chinese for cross-cultural communication in economic,

trade, news, publishing, schools, government agencies and other departments, and engage in secretarial, translation, publicity, editor, reporter, management and etc.

3. Chinese Language and Literature (Sino-foreign Cultural Exchange as academic direction)--Minhang Campus

Taught entirely in Chinese. Language requirement: Native-level Chinese proficiency is required.

The curriculum system focuses on Sino-foreign cultural exchange talents in the era of globalization.

4. Modern Chinese and Area Studies

The MA in Modern Chinese and Area Studies is suitable for students who have developed an interest in modern China's humanities and now want to take that to a higher level. Designed to provide a comprehensive overview of modern Chinese literature, history and philosophy, it involves intensive academic training in three pathways, including Chinese Language and Literature, Chinese History, and Chinese Philosophy.

🔔 **Note on the School of Electronic Information and Electrical Engineering (SEIEE)**

The former School of Electronic Information and Electrical Engineering (SEIEE) has been restructured and split into four separate schools:

- School of Computer Science
- School of Electrical Engineering
- School of Automation and Intelligent Sensing
- School of Integrated Circuits (School of Information Science and Electronic Engineering)

The number of vacancies for these courses is highly limited due to the current capacity issue. You must be able to take **courses in Chinese**, and you must achieve a grade of **no less than 80 points** in each course on your academic transcript.

🔔 **School of Mechanical Engineering**

- The history of the School of Mechanical Engineering (ME) of Shanghai Jiao Tong University (SJTU) dates back to 1913. Over the past century, the school has cultivated tens of thousands of graduates who made significant contributions to technological

development and economic growth in the world, such as scientists, engineers, educators, statesmen and entrepreneurs. In the new century, the school adopted a vision of a world-class engineering school that offers the best learning experience for its students, the most rewarding working environment for its faculty and staff as well as the most effective service to the industry and society.

- Schedule of **Postgraduate Courses** offered in English for **2025 Fall Semester** https://me.sjtu.edu.cn/YanJS/innotice/7571.html , for **2026 Spring Semester** https://me.sjtu.edu.cn/YanJS/innotice/7626.html
- The **syllabus for graduate courses** can be found here: https://me.sjtu.edu.cn/YanJS/coursesInfo.html

🔔 **Antai College of Economics and Management (ACEM)**

- There are no major restrictions for **undergraduate exchange students**. Undergraduate exchange students are eligible to choose from all English-taught undergraduate courses offered during the semester. If your Chinese proficiency meets the required level (native speaker proficiency or at least HSK 5 equivalent), you may also select from the available Chinese-taught courses, based on your individual language abilities.
- **Graduate exchange students** are eligible to select courses from the Master of International Business (MIB) program offered during the semester. (This applies only to regular graduate exchange students and does not apply to MBA exchange students, which is operated separately.)
- **MBA courses are only available for school level MBA exchange students.** More information about courses can be found on https://mba.sjtu.edu.cn/en/academics/academic-calendar.html
- Courses are available for selection **only** by students of this college.

🔔 **School of Materials Science and Engineering (SMSE)**

- Shanghai Jiao Tong University (SJTU) is pioneering in setting up the discipline of Materials Science and Engineering in China, which has been composed of departments of materials science and engineering since 1997 and among which the heat treatment major was set up in 1952. The discipline of 'Materials Science and Engineering' is one of the first national first-degree subjects and has been consistently ranked top 1‰ in ESI. .

- Course information can be found here https://en.smse.sjtu.edu.cn/academics/Courses

🎁 School of Design

- The School of Design offers three design majors: Architecture, Design, and Landscape Architecture. For more information, please visit: https://designschool.sjtu.edu.cn/en-us/summarize/5740a796d561d041b318ef96daca5182
- Undergraduate courses are not taught in English; only some graduate-level courses are offered in English. For the course list, please visit: https://designschool.sjtu.edu.cn/en-us/37b95d2d7246fe706d6129ba74f54bdf/f951f1d9183f628b7fccbf91b50687e1/detail/67c6c1df6dc698e9fac1eb2a
- Exchange students are not restricted by major and may choose from any English-taught courses available during the semester.

🔔 School of Agriculture and Biology

- The School of Agriculture and Biology offers four majors: **Plant Science, Animal Science, Resources and Environment, and Food Science and Engineering**.
- School of Agriculture and Biology has been adhering to being a high-level, modern, agriculture-oriented, actively exploring innovations and demand-driven agricultural science school.

🔔 School of Aeronautics and Astronautics

- SAA welcomes exchange students to apply for our undergraduate program in **Aeronautics** and **Astronautics Engineering** and graduate program in **Mechanical Engineering**. Detailed course listings for these programs are available on our official website: https://www.aero.sjtu.edu.cn/en/academics/courses

🔔 School of Life Sciences and Biotechnology

- As a leading institution in life sciences and biotechnology education and research, the School of Life Sciences and Biotechnology (SLSB) boasts two first-level disciplines, encompassing a wide range of sub-disciplines including **Biochemistry and Molecular Biology, Genetics, Microbiology, Developmental Biology, Cell Biology, Bioinformatics, and Bioengineering**. With a vibrant academic community comprising over 200 undergraduates, 300 master's students, and 600 doctoral candidates, SLSB offers a dynamic and collaborative learning environment. Our sub-disciplines in Biology and Biochemistry, Molecular Biology and Genetics rank among the top 1‰ globally in ESI International Rankings, attesting to the excellence of our research and education.
- Only English courses at the graduate level are available for selection, and undergraduate exchange students can choose from these courses, which include: Structural Bioinformatics(Spring), Biosafety(Spring), Cell and Developmental Biology(Fall), Genetics and Development(Fall), Microbial Infection and Immunity(Fall), Molecular Signal Transduction(Fall), Synthetic Biology(Fall), Bioprocess Engineering(Fall), Bioprocess and Bioproduct Engineering(Fall), Modern Biotechnology(Fall), Anaerobic Biotechnology and Engineering(Fall)

🔔 China-UK Low Carbon College

- The Low Carbon College (LCC) is a joint initiative between Shanghai Jiao Tong University and the University of Edinburgh, dedicated to advancing research and education in low-carbon fields. As the first college in China to pioneer low-carbon research and education, LCC offers three master's programs: **Low Carbon Environment, Low Carbon Energy, and Hydrogen Energy & Energy Storage.**
- Undergraduate exchange students are also welcome to select courses from these programs. All courses are taught in English. For more details, please visit our website: https://lcc.sjtu.edu.cn/En.

🔔 School of Media and Communication

- The School of Media and Communication boasts a high degree of internationalization, with over 200 international graduate students enrolled throughout the year, hailing from more than 50 countries around the globe, including world-renowned universities.

- Our institution is structured into three departments: **Journalism & Communication, Film & Television, and Cultural Industry Management**. Each department offers a range of programs at the bachelor, master, and doctoral levels, catering to diverse academic interests and career aspirations.
- In addition to undergraduate and graduate programs in Chinese, we also offer **fully English-taught graduate programs including M.A. in Journalism and Communication** and Ph.D. in Journalism and Communication with a focus on New Media Studies. Exchange students are free to select courses from the corresponding programs for their studies.

💡 Global Institute of Future Technology

- The institute is named the Global Institute of Future Technology (GIFT), symbolizing a dedicated faculty cultivating gifted individuals with care and vision. GIFT is committed to breaking boundaries in learning, disciplines, and institutions, and to building a globally influential, China-rooted model of industry education integration. Its mission is to nurture strategic, globally minded leaders for future industries. The institute collaborates closely with SJTU's traditional strengths in science, engineering, biomedical sciences, and management, working to establish large-scale, interdisciplinary research centers, and promoting an innovative model to accelerate technology commercialization.
- For more information, please visit our official website: https://gift.sjtu.edu.cn/en/
- **Sustainable Energy** and **Health Science and Technology** for the undergraduate study and Graduate programs are targeted at applicants from a variety of disciplines, including Mechanical Engineering, Control Science and Engineering, Materials Science and Engineering, Mechanical Design and Automation, Power Engineering, Automation, Mechanics, Computer Science, Biomedical Engineering, Mathematics, Physics, Chemistry, and Biology, etc.
- All courses taught in GIFT are in English. If you want to know more about courses, please contact: kirstenchen@sjtu.edu.cn

🔔 School of Biomedical Engineering

- BME-SJTU offers four engineering majors: **Biology, Biomedical Engineering, Electrical Engineering, and Medicine**. Please find more information on the official website: https://en.bme.sjtu.edu.cn/
- If you want to know more information about the courses, please contact mmxie@sjtu.edu.cn

4. PREPARATION BEFORE ARRIVAL

All electronic materials, including admission letters and visa forms, will be sent to the student's email address directly. We only provide electronic copies of the admission materials, and the paper version of the admission notice can be collected when the student registers for enrollment.

4.1 Visa application

All students are required to apply for a **Student Visa (X visa)** at the Chinese Embassy or Consulate in your country with their passport, admission notice and visa application for study in China. Please contact the local Embassy or Consulate for more information.

Work permit: NO

4.2 Insurance

All exchange students should purchase the Group Comprehensive Insurance in Mainland China.

Name of the insurance	Comprehensive Insurance & Protection Scheme for Foreigners Staying in China
Company	Ping An Annuity Insurance Company, Ltd.
Website	*www.lxbx.net*
Premium	400 RMB for a half year, 800 RMB for one year

4.3 Accommodation

📌 **Due to the limited number of dormitories, on-campus accommodation is not guaranteed. Accommodation booking notifications will be sent along with the admission materials.** In case of failure to reserve an on-campus room, or if you plan to live off-campus, the average rent for one-room lodging in the campus neighborhood is 3,000 RMB per month for the Minhang

Campus and 5,000 RMB per month for the Xuhui Campus. The specific accommodation information shall be subject to the subsequent official notice, and the following information is for reference only.

Both the Xuhui and Minhang campuses provide on-campus accommodation options. **Due to limited capacity, the availability of on-campus accommodation is not guaranteed.** Detailed information on the on-campus accommodation is provided as follows:

About Apartment Buildings for International Students（For reference only）:

1. **Minhang Campus:** Building 1 and Building 2 of Nanyang Bei Yuan International Student Apartment

   Nanyang Bei Yuan (南洋北苑) is located at No. 360, Zhangjiali Road, Minhang District, Shanghai. Two types of rooms are available: a single room with an independent toilet and a single room with a shared toilet. All rooms are equipped with air conditioning, free Wi-Fi, and basic furniture. The size of the bed is 120cm*200cm, and bedding needs to be prepared by yourself.

2. **Xuhui Campus:** Tao Li Yuan and Lianxing Building

   Tao Li Yuan (桃李苑) is located on the Xuhui Campus. Two types of rooms are available: single room and double room. Both types are equipped with a private bathroom, an air conditioner, free Wi-Fi, and basic furniture. The size of the bed is 120cm*200cm, and bedding needs to be prepared by yourself.

Charging Standard for Accommodation

***unit: yuan (RMB)/person**

Campus	Location	Type	Accommodation Fee for a Semester (18 weeks)	Short-term Accommodation Fee
Minhang	Nanyang Bei Yuan	Single room (with shared bathroom)	10080 yuan	125 yuan/day
		Single room (with private bathroom)	12600 yuan	155 yuan/day
Xuhui	Tao Li Yuan	Double room	6600 yuan	80 yuan/day

Single room	10600-11900 yuan	140-150 yuan/day

***Notes:**

The charging standard was approved by the 2nd Financial Leadership Group Meeting of SJTU in 2020.

4.4 Estimated Costs

- The average cost of living: 4,000RMB/month
- Food: 2,000 RMB /month at university canteen
- Health insurance: 400 RMB for half year, 800 RMB for one year

5. ACADEMIC TRANSCRIPTS

- **Undergraduate Transcript**

Undergraduate transcripts can be downloaded by logging into the system at log into the **"交我办" or *my.sjtu.edu.cn*** ---**undergraduate**---**undergraduate Electronic Transcript** to apply for the transcript.

Explanatory Notes on Transcripts

- **Graduate Transcript**

Graduate transcripts will be produced in batches due to the inconsistent timing of course grade releases, and electronic versions will be sent to students via email. Electronic transcripts for the Fall semester will be sent to the student's email from March to April. For the Spring semester, they will be sent from September to October.

Explanatory Notes on Transcripts

- **Transcript for Intensive Chinese Language Program**

Transcript for the Intensive Chinese Language Program will be sent to the student's email after the semester ends.

6. SCHOLARSHIP OPPORTUNITIES

6.1 Chinese Government Scholarship（CSC)

🔔 **Note: For all CSC scholarship students, If the scholarship includes the accommodation part, please note SJTU does not provide a free dormitory, but provides an accommodation subsidy (1,320 RMB/ Month for General scholars, 1,650RMB/Month for Senior scholars).** The scholarship application result is subject to review by the CSC.

🏝️ For the application on the CSC website, the **Agency No for SJTU is 10248**

1. Chinese Government Scholarship（Type A)

Students applying for CSC Scholarship（Chinese Government Scholarship） should **directly contact the local Chinese Embassy or Consulate**. For specific application periods and requirements, please refer to the information published by the local Chinese embassy or consulate. The scholarship content is subject to the website of China Scholarship Council.For Application Guide for Chinese Government Scholarship you can click **HERE**.

2. China Link Scholarship Program （Type B)

- **Applicable for Study/Research Fields: All disciplines other than Chinese language study.**
- **Must be from a foreign partner university of CSC. Please refer here for the list of eligible foreign universities**

In order to deepen the academic friendship and mutual understanding between Chinese and foreign young generation, and to build a platform for the international exchanges and cooperation of young talents, China Scholarship Council (CSC) has established the **China Link Scholarship Program** for international students hoping to engage in academic and research activities in China. Please click **HERE** for details.

Please first confirm whether you are from an overseas **partner institution of the China Link Scholarship program**. Eligible students can apply on the CSC website, Please carefully review the **CSC Online Application Guide** in Attachment 3. Students who fail to submit the form correctly will not be considered. Please send the CSC application number to isc.exchange@sjtu.edu.cn, with the email subject as **China Link + CSC application no + home university before the deadline list below**. Applications from students who do not submit as required will not be considered.

For 2026 Fall incoming exchange student：Deadline for china link scholarship application in the CSC System and send an email to us is May 20, 2026

For 2027 Spring incoming exchange student：Deadline for china link scholarship application in the CSC System and send an email to us is Nov 20, 2026

6.2 International Chinese Language Teachers Scholarship(ICLTS)

🔔 **Note：For all ICLT scholarship students, If the scholarship including the accommodation part，please note SJTU does not provide free dormitory, but provides accommodation subsidy (1,100 RMB/ Month) .** The scholarship application result is subject to the review by the Center for Language Education and Cooperation.

- **Only applicable for applications to the Chinese Language Study**
- Please refer to this link for specific application requirements and procedures：https://global.sjtu.edu.cn/en/news-events/notice/2477
- Contact Email: cisjtu@sjtu.edu.cn

7. LIFE IN SHANGHAI

Information about life in Shanghai/China, including WIFI & SIM cards, payment methods, tours & experience, transportation and other relevant information is available at "**Living in Shanghai**".

Shanghai International Services - A guide to Shanghai for Expats

8. CONTACTS

International Student Center

Room 206, International Center (Dong Huiyuan Building 3)

No. 800 Dongchuan Rd., Shanghai

Tel: +86-21-34205135

Email: *isc.exchange@sjtu.edu.cn*

Webite: Semester Exchange - International Affairs Division

🔔 *For the contact person in charge of the exchange students of each school/department, please click **here**.
