The academic year 2027–28

Term deadline	Winter semester	Summer semester
Semester dates	1 Oct – 31 Mar	1 Apr – 30 Sep
Lecture period	25 Oct 2027 – 12 Feb 2028	10 Apr 2028 – 22 Jul 2028
Lecture break	24 Dec 2027 – 6 Jan 2028	12 Jun 2028 – 18 Jun 2028
Examination period	Feb + Mar*	Jul + Aug*
Nomination period	15 Mar – 1 May	15 Sep – 1 Nov
Student application deadline	15 May	15 Nov
Student enrolment deadline	15 Jul	15 Jan

* As some exams will take place in March/August, students need to apply for a visa that is valid until the end of March/August, since an extension of one month is in principle not possible.

Nomination and Application

Nomination	Nominations are only accepted via Mobility Online. Partners will be invited with log-in details.
Language prerequisites	German or English proficiency at a minimum level of B2 (European Reference Frame). B1 competences are not sufficient to follow academic courses.
Application process	Students apply online. Supporting documents (see below) need to be uploaded.
Required documents for admission from students	– Transcript of Records – B2 language certificate (German or English)* – Copy of valid passport (page with photo) – Erasmus+ students with non-EU/EEA citizenship: copy of residence permit – Proof of payment to Seezeit (deposit + administration fee) *Native speakers of English or German do not need to provide a language certificate
Admission	Students will receive a letter of admission including information about their registration for the orientation programme directly through the online application portal.
Required documents for enrolment from students	– EU/EEA students: copy of both sides of valid EHIC, non-EU/EEA students: German statutory health insurance or equivalent – Proof of social contribution fee and GO-Konstanz course fee payment (if applicable) – Portrait photo (for student ID card) – Exmatriculation certificate from German university (if applicable) – Proof of financial resources (if applicable)
Additional uploads to Mobility Online	As Mobility Online is the main tool for managing the exchange, students are asked to upload further documents after their enrollment and arrival, e.g. the visa and entry stamp to the Schengen area to apply for a residence permit, or other documents. Students should make sure to regularly work with Mobility Online during their exchange.

Orientation

Students choose between one of these programmes (mandatory):

GO-Konstanz (4 weeks)
March or September, intensive German language course with orientation programme, organised by the International Office and the Language Institute (SLI). Groups of about 15 participants are taught by experienced instructors up to level C1. Programme fee: 385 €.

OriPro
April or October, Free orientation programme before the semester, including course selection support, introduction to university structures, and residence permit guidance for non-EU/EEA students.

Academic Information

Courses	Courses are available in English or German. On Master's level, more courses are taught in English than on Bachelor's level. All courses offered in English can be found on our website.
German as a Foreign Language	German language instruction is offered by the Language Institute on all levels in small groups: beginner, intermediate and advanced. Language classes should not take precedent over student's core study area, but complement their studies. The Language Institute will test the students' language competences and assign students to courses according to their individual language skills – results may be different than other test results, e.g. OLS. Students are not entitled to demand a specific level. Courses for English as a foreign language are not open to exchange students.
Full-time study	Exchange students are required to complete a full course load. Undergraduate and graduate students are usually enrolled in 24–30 credits (ECTS) per semester. We recommend that students take at least 50 % of their classes in their main subject.
Transcript of Records	Upon completion of the exchange, students must actively request a Transcript of Records after entry of all results in the online system. The official transcript is then issued and uploaded to Mobility Online. We are currently not able to grant partner institutions access to the transcripts in Mobility Online. Should you wish to obtain your students' transcripts directly, please contact international.transcripts@uni-konstanz.de.

Pre-Arrival Information

Webinars	Online sessions before each semester help students prepare for their stay in Konstanz. Information is sent by email.
Accommodation	Students can apply for Seezeit housing through the exchange application. A payment of 900 € (850 € deposit + 50 € administration fee) is required by the deadline. The administration fee is non-refundable. Recommended contract end dates are February (Winter) and July (Summer). The private housing market in Konstanz is tight and expensive. There is no assistance for finding private housing in Konstanz, which is best found when on-site.
Monthly expenses	An overview of estimated costs is available on our website. In the first 2 months students will need more money than in the following months to cover all initial costs. Students should prepare accordingly.

Pre-Arrival Information

Visa and residence permit	Visa requirements depend on nationality. While EU/EEA and Swiss citizens do not need a visa, most other students require a student visa and should apply well in advance. Non-EU/EEA students without a long-term visa obligation must apply for a residence permit after arrival in Konstanz. Required documents should be uploaded to Mobility Online before departure. Proof of sufficient funds is required (currently 992 €/month, subject to change). Find an overview of which nationalities have to apply for a visa here.
Health insurance	Students from EU/EEA countries and Switzerland are automatically insured through their EHIC card (GHIC for students from the UK). Students with non-EU/EEA nationality are required to enrol in German statutory health insurance before arrival. They should also take care of travel health insurance until the beginning of the semester.
Services	All exchange students are provided the same access to university facilities as local students, such as the library, internet access on campus, accommodation in the Seezeit student residences, access to all sports facilities, psychotherapeutic counselling etc. The Student Service Centre (SSZ) offers all important student services in one facility. The Welcome Centre offers special services to PhD students and international researchers. Exchange students may participate in our Buddy Programme, the ESN Konstanz, our university orchestra and big band, theatre, film nights, Model United Nations etc.

Departments and Subjects at the University of Konstanz
